

# Autosports Northwest Online Registration

1. Head over to [www.axwaresystems.com/axorm/](http://www.axwaresystems.com/axorm/) and then you can either login or create new account.

The screenshot shows the AXWare Systems Online Race Management (ORM) website. The header includes the site name and a "Login" button. Below the header, there are navigation tabs for "Event Calendar" and "Club Center". The main content area is titled "Event Calendar" and features a filter section with "Calendar From" (set to "All" and "2017"), "Club Selection" (set to "All Clubs"), and "Event Filters". Below the filters, a table lists events for January 2017:

Date	Club	Event Name	Location	Buttons
7	CCSPORTSCARCLUB	2016 CCSCC Awards Banquet	CityView at Illinois Terminal/CUMTD	
7	SASCA	SASCA Points Event #1 - 2017	River City Community Church	Final Pax Raw Summary
14	SASCA	SASCA 2016-Season Awards Banquet	Hofbrau at The Rim	

2. Fill in the information, use your email address so you can get club emails, don't worry, we won't spam you or sell your information.

3. After clicking save and continue, the system will ask if you're a member of the SCCA or NCCC, for most of you, the answer is probably "Neither"

4. The next step will be to choose a club with which you will be participating, as of the time of writing this, AUTOSPORTSNW.... Autosports Northwest, is alphabetically on top, so that's easy.

5. This step is most commonly missed, make sure to add a car to your garage! Click "Add Vehicles into my garage" on your next step. Choose your "Local Class" first, this will narrow down your "SCCA Class" to those available to our own class groupings.

The screenshot shows the "Garage Entry" form with the following fields and values:
