#### 2021 Sponsorship Details

2. Gratitude expressed for "early bird" 2021 sponsors: Advanced Auto Fabrication (title sponsor), Lattman Real Estate Group, Huber Trailer, Thai Bamboo, Bailey Sampson Mortgages, and SMS Auto

#### Venue Updates

3. Spokane County Raceway is presently closed until further notice while the county officials seek a new leasor or purchaser
  - Jack Wade will reach out to the county officials once their situation has settled down to see if we can rent the venue from them directly for Octocross
4. Deer Park Airport is in need of an asphalt repave. The City of Deer Park received a bid for more than \$1 million and has sought grants, but they still need to raise significant additional funds before they can afford the repave.
5. We may need a backup venue while repave is in progress at whatever point that moves forward; Spokane County Raceway is not an option at this time; TBD

#### Additional Event Dates

6. Work days at Deer Park will be scheduled as needed during the season depending on the asphalt conditions as the weather warms up
7. Octocross will be hosted in Deer Park on the previously scheduled weekend if we cannot secure Spokane County Raceway
8. ASNW's events in August was rescheduled to August 14th & 15th so as not to conflict with Top Gun in Helena, MT
9. Awards Banquet

#### T-Shirt Design Contest

10. ASNW Logo on the front, winning user-submitted design on the back
  - Design can include up to 3 colors
  - Vector is preferred; other digital image such as JPEG or PNG is okay
  - Winner gets a free tee
  - 50 custom tees at an estimated \$25 ea
  - Submit to officers by 2nd event weekend

#### Treasurer Report

11. The club is starting off 2021 in a strong financial position:
  - Essential operating expenses for the season have been paid

- Officers anticipate ordering a new timing trailer Fall of 2021, ready for Spring 2022
  - Trailer will be purchased through Huber Trailers
  - Officers are investing in exciting new trailer features like air conditioning and more secluded work area for timing/course control; more details TBD
